THE COMMISSION -

Mrs M. Rajabally - Commissioner,
Mr. C. Seebaluck - Commissioner,
Mrs. V. Bikhoo - Commissioner,

Having regard to the Competition Act 2007,

Having regard to the Competition Commission Rules of Procedure 2009,

Having regard to the Undertakings given by King Savers Ltd, Goodhands Co. Ltd & Three Kings Ltd on 04 December 2018,

Having regard to a report of the Executive Director of the Commission (the ‘Executive Director’) dated 15 February 2019 on the Undertakings given by King Savers Ltd, Goodhands Co. Ltd & Three Kings Ltd,

We, Commissioners, decide as follows:

Introduction

1.0 This is an application for immunity dated 20 October 2017 made jointly by King Savers Ltd, Goodhands Co. Ltd & Three Kings Ltd (the Applicants), through their Director, Mr Alain Saverettilar, pursuant to the Competition Commission’s Amnesty Programme for Resale Price Maintenance (RPM) prescribed under paragraph 5.6A of CCM3 Guidelines on Collusive Agreements. As part of the conditions set out thereunder, undertakings (‘the Undertakings’) have been offered to the Competition Commission (the ‘Commission’) by the Applicants on 06 December 2018.

2.0 Having taken cognizance of a report (the Report) of the Executive Director dated 15 February 2019 in respect of this matter, the Commission has determined the present matter under section 59(7) of the Competition Act (the Act), the conditions prescribed under paragraph 5.6A of CCM3 Guidelines on Collusive Agreements and considering in particular, the Undertakings offered pursuant to section 63(3) of the Act.

The law

3.0 Section 43 of the Act prohibits and renders void ‘any vertical agreement between enterprises to the extent that it involves resale price maintenance’.

2
RPM is in turn defined under section 2 of the Act as ‘an agreement between a supplier and a dealer with the object or effect of directly or indirectly establishing a fixed or minimum price or price level to be observed by the dealer when reselling a product or service to his customers’.

3.1 An enterprise can only benefit from immunity to financial penalty if it is involved in conduct(s) that falls within the scope of section 43 of the Act and satisfies the conditions prescribed for the RPM Amnesty Programme, that is if it -

3.1.1 admits its participation in an agreement involving RPM;

3.1.2 provides the Commission with all the information, documents and evidence available to it regarding its RPM conduct;

3.1.3 maintains continuous and complete co-operation until the conclusion of any action by the Commission in relation to the matter; and

3.1.4 offers undertakings that satisfactorily address the competition concerns of the Commission.

3.2 The threshold for accepting undertakings under section 63(3) is that the Commission must be satisfied that they address "all the concerns it has about any prevention, restriction [or] distortion (...) of competition".

3.3 Pursuant to section 59 of the Act, the Commission may grant immunity or leniency to any person in such circumstances as may be prescribed. Effective from 05th June 2017 until 20th October 2017 inclusively, the Commission put in place a one-off, time-limited amnesty programme for any enterprise involved in resale price maintenance by waiving the restriction at paragraph 5.3 of CCM3 Guidelines on Collusive Agreements, viz., that only RPM which facilitates a cartel can benefit from leniency and the associated footnote 3 thereat and subject to the applicant-enterprise fulfilling the conditions prescribed under paragraph 5.6A (b) of the said Guidelines (the ‘RPM Amnesty Programme’).
