

# WORLD COMPETITION DAY 2023

## 5<sup>TH</sup> DECEMBER

**Theme | Prioritising Socially Sensitive Sectors**

International Days are observed to draw the attention of the society at large on issues that are extremely important for human development in the present and particularly for the future.

CUTS International calls on the international competition community to voice the need for adopting a WORLD COMPETITION DAY. It would be ideal to mark 5<sup>th</sup> December, the day of the adoption of the UN Set on Competition Policy by the UN General Assembly, as WORLD COMPETITION DAY.

CUTS International urges countries and competition agencies worldwide to follow this process by observing 5<sup>th</sup> December 2023 as an occasion to propagate 'Prioritising Socially Sensitive Sectors'.
